Power Generation and Consumption

t1861. SHRI MANGANI LAL MANDAL: Will the Minister of POWER be pleased to state:

(a) the total power generation being undertaken in the country at present against the total installed capacity of power generation from all the sources;

(b) the number and names of establishments engaged in generation of power, State-wise and Location-wise;

(c) the details of per-capita power generation and consumption at present in the country, State-wise; and

(d) the target to be set regarding generation of power by the end of the Eleventh Plan and by when the country would become self-reliant in the field of power generation?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SINDE): (a) During the period April 2005-February 2006, the energy generation of utilities in the country was 562.7 Billion Units. The installed capacity as on 28th February, 2006 is 1,23,900 MW.

(b) State-wise and location-wise details of establishment engaged in power generation are given in the enclosed Statement-I (See below)

(c) State-wise per capita power consumption during 2004-05 is given in enclosed Statement-ll. (See below)

(d) National Electricity Policy envisages "Power for all by 2012". Capacity addition envisaged during 10th Plan would be of the order of 34,024 MW. A capacity addition target for 11th Plan has been tentatively set at the order of 62,000 MW.

Statement-I

State-wise list of establishments engaged in generation of power as on 31st March, 2005

Note — As per UN Methodology: Per-Capita Consumption equal to Gross generation/ Population.

World Bank assistance for Power Grid Corporation

1862. SHRI VIJAY J. DARDA: SHRI B.J. PANDA: MS. PRAMILA BOHIDAR:

Will the Minister of POWER be pleased to state:

(a) whether it is a fact that the World Bank recently approved a $ 400 million loan to Power Grid Corporation of India to strengthen the country's transmission system and increase reliable power exchanges between the regions and States of the country;

(b) if so, the details thereof;

(c) whether Government have chalked out any plan to utilize the loan received from the World Bank;

(d) if so, the details thereof; and

(e) what are the details of the projects that are proposed to be taken up in Orissa to improve the power position of this backward state?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) and (b) Yes, Sir. World Bank has approved a loan assistance of US$ 400 million to Power Grid Corporation of India Ltd. (PGCIL) in January, 2006, which will be utilized by PGCIL in the core projects listed in the enclosed Statement.

(c) and (d) The total estimated cost of the projects to be funded under the World Bank loan is about Rs. 4400 crore (US$968 million). The loan amount of US$400 million is, therefore, expected to be fully utilized on these projects.
